Old Business:

- Halloween: W. Kernstock stated that the hall is up for sale so that we may not be able to use it. J. Zittel stated that he met with the Catholic Diocese last year to attempt to purchase it for the city. They did not want to break apart the pieces of the property and sell the hall separate from the church. They put us on the schedule for this year, but want to sell it as a whole, so we do not know what availability for the future will be. The city is looking at grants and locations for our own community center. G. Jolin stated that hay rides will not be happening due to insurance liability, that the wagons need to meet certain requirements with side rails, etc. and that hot dogs require a health department permit which wasn't obtained last year. R. Burkhart stated that it is \$55.00 for a license from the Health Department and that she is licensed with Serv Pro, if they require it, and she would be willing to volunteer. G. John said the fire department is not doing hot dogs due to the availability of manpower. There is a \$500.00 budget for Halloween. S.Mitchell will be in charge of the photo opp area, J. Owens will call Apple Valley about getting 200 apples to hand out, we will also have 200 individual bags of chips, coffee, and punch. The hall will be open from 6-8pm.
